LINKEDIN POST

We've been using Orb as a great additional tool to monitor and troubleshoot networks.

By **Keith Parsons, CWNE #3** · 2026-02-11 · originally on LinkedIn

Specifically by adding Orb to a WLAN Pi - to track both Wired and Wireless connectivity. It has a lot of things going for it... you might want to check it out.

Look for some new information about Orb at #WLPC next week as well.
