The Fallacy of Channel Overlap, Revisited

By **Keith Parsons, CWNE #3** · 2026-03-31 · originally on LinkedIn

I was reminded this morning of a post I made a LONG time ago called, "Fallacy of Channel Overlap" - and people today are still talking about how one Wi-Fi access point's cell 'overlaps' with another. And even put it in their requirements documents. If you can not easily calculate it, then don't use it!
