PPSK, MPSK and DPSK, Explained Properly

By **Keith Parsons, CWNE #3** · 2026-06-29 · originally on LinkedIn

Max Moriconi has written a fantastic Blog on PPSK/MPSK/DPSK... clear, concise, and yet detailed just enough to support the situation. This IS the way blog posts should be written.

This would make a fantastic presentation at an upcoming #WLPC. Any way you can help arrange that David Coleman?

Well done!
